2020 HEBT Group Tennis Lesson Class Descriptions

Please read the level guidelines carefully so you sign up for the appropriate class. Within each class, players are assigned to a specific court based on their developmental level relative to other participants within their class. Assignments may change over the course of a session.

If, during a session, an instructor feels you or your child would benefit from either moving up or down a class level, they will talk to you directly.

10 and Under Tennis

10 and Under Tennis is the format the USTA is using to teach kids how to play. It's designed to bring more kids to the game of tennis by using smaller racquets, low compression balls, and adjusted net heights. This format (similar to the way other sports like soccer, basketball, baseball teach kids) makes it easier than ever for kids to learn to play, progress more quickly, and therefore develop a love of the game.

Proper attire/equipment: Participants need proper court attire and non-marking athletic shoes. Juniors should have an age/size appropriate racquet. A 19," 21" or 23" racquet is recommended for Red & Orange Ball classes. A 25" or adult racket is recommended for players 11 years+.

Red Ball 2 (Ages 5-6)

For the beginner player, we teach agility, balance and coordination including basic movement, catching, throwing and tennis skills.

Red Ball 1 (Ages 6-7)

Players will develop proper swing shaping on forehand and backhand and will learn to rally.

Orange Ball 2 (Ages 8-10 Beginners)

For the beginner player, we teach all the basic tennis strokes as well as an introduction to singles and doubles. Players will learn correct grips, proper swing shapes and will learn to rally. These classes are played on official USTA 10 & under lined court.

Orange Ball 1 (Ages 8 -10 Adv. Beginners - Intermediate)

For players who have passed out of Red 1 or Orange 2 and can serve, return and rally. We focus on technique and court movement and also play mini matches. Players should be able to rally, serve and keep score. Increased focus will be on correct form and basic singles and doubles strategies. A 23" or 25" racquet is recommended. These classes are played on official USTA 10 & under lined court.

Advanced Beginner - Intermediate (11 year olds +)

This class is designed for players who have already passed Orange Ball 1. Players will continue to develop proper technique on groundstrokes, volleys, and serves. Fun games and drills will be a part of each class as players continue to work on skills necessary to hit from anywhere on the court and play matches. This class is 1.5 hours.

Competitive Drill & Match Play (Junior High – High School)

This class is designed for players who can rally consistently using all the basic stroke techniques, hit from anywhere on the court, and know basic match scoring. Players in this class will work on singles and doubles strategy to take their game to the next level and prepare themselves to compete in USTA or high school matches. The class is 1.5 hours. There will be approximately one hour of drill and then 30 minutes of match play on each day.

A Word about Make-ups:

A make-up class will be scheduled for all ***weather-related*** cancellations. Please note: we try to run every class at its scheduled time. We will not cancel class unless there is lightening/thunder in the immediate area or the rain has been/is so heavy the court surface is unsafe for play. If necessary, we will start a class a few minutes late or end a few minutes early so you do not have to change your schedule.

If the weather is bad at your scheduled class time, please check our Twitter page to confirm **IF** your class is canceled at www.twitter.com/hetennis. We will be sending out tweets to notify members of class cancellations as that is the fastest way for you to be informed. The make-up information will also be sent out via Twitter **so it's important for you (and your child) to sign up to follow hetennis on Twitter or know how to check the page via the club's website.**

Please be aware most classes will be made up the day immediately following the cancelation.

Most class make-ups will be between 12 – 2 PM. Be aware that if there is a lot of rain during a particular week, we may run some make-ups on Friday afternoons between 1 – 5 PM. For Session 1 we may run make-ups during the week of June 29th when classes are not in session.

Please note: make-up classes for lessons missed due to personal reasons are not offered.
